Operation Secret Santa is a group comprised of business and community leaders in Filer and surrounding areas. We provide food, clothing and toys to families within the Filer School District that need a little extra help during the holiday season. Last year, we helped over 55 families and over 165 children. We are asking businesses and individuals to adopt families this year. Adopters provide gifts for the children of the family and Operation Secret Santa will provide a Christmas stocking for each child along with food, hygiene items and other necessities for the family.

The fun starts once you have decided to adopt a family. You can choose the size of family you would like to adopt and you can adopt more than one family. You will receive a list of the children's first names, ages, sizes and interests. Once you have purchased, wrapped and labeled each gift, please deliver them to our storage location at 405 Main St in Filer, **no later than December 18th**. Please contact 208.326.4331 to schedule your delivery.

Although the food for the families is provided by Operation Secret Santa, donations to our food pantry are always welcome. Please call to find out what we need. 208.326.4331.

Your generosity is appreciated and will help provide a nice holiday for children and families that may not otherwise be able to provide for themselves.
